

## **IPDM International Club**

Following the vision and aspiration of IPDM Council 2006 / 2007 for its Members and Industry Partners to be global players in the interior design industry worldwide, IPDM is pleased to announce the setting up of IPDM International Club.

The main objective of the International Club is to encourage and promote IPDM Members and Industry Partners to export their interior design consultancy services and products abroad.

IPDM will be working closely with MATRADE, MITI, PSDC and other related government and non-governmental agencies to develop a platform for export of interior design services and products for its interested members and industry partners.

IPDM Members and Industry Partners who have exported their interior design services and products abroad have also pledged to assist.

Members and Industry Partners who are interested are encouraged to register with the Secretariat for database compilation.

The IPDM International club was officially launched on the 11<sup>th</sup> April in conjunction with IPDM's President's Night.

Noted below is the list of interested Members and Industry Partners who have joined the club:
